Amazing Experiences Worldwide

We have more than 25 years of experience helping our clients to engage incentive trips' participants (whether they are select customers, winners of sales contests or high-performance employees) with premium travel experiences that create long term loyalty with their brand, generating better relationships and business results.

DAFING GROUP, our mother company, was born in Argentina in 1993, and in 2017 created **DAFING UNLIMITED**, its international division with offices in **Florida** as the hub for the expansion of its operations in USA and Latin America.

A large group of people, approximately 30-40 individuals, are posing on a vast desert landscape of sand dunes. They are arranged in several rows, with some kneeling in the front and others standing behind. Many of the people have their hands raised in the air, some with fingers spread, suggesting a celebratory or enthusiastic mood. The background shows rolling sand dunes under a bright, hazy sky, likely during sunrise or sunset. The overall scene conveys a sense of adventure and shared experience.
